Notice to Clear Image Eye Center Patients Regarding Optomap Retinal Imaging and Dilation of Your Eyes

We pride ourselves on providing our patients with the best possible standard of care. We now perform the optomap retinal exam on all of our patients. As part of your pre-test work up, we will capture optomap images today. There is a \$20 charge for this procedure. With optomap imaging, the doctor may not need to dilate your eyes.

I have read and understand optomap imaging:
